The football team has found a number of sure cures for drinking, smoking, and other undesirable habits of an athlete. It is a wonder anyone fished all of the culprits out of the pond after fellow team members threw them in. And if any of the toilets were out of order, it was because a player almost got his head flushed down it.

In spite of all the horseplay that went on during practice sessions, they must have had some good workouts because the season was by far the most successful one in the history of Southern.

Coach William Frost was honored with the title *Coach of the Year* by the Tri-Valley Conference. Six members of the team also received T.V.C. honors. They were Craig Bosley, Nick Coppola, Dave Upole, Ben Sincell, Chris Nichols, and Rick Skeweris.

The Western Maryland B-C District Championship was handed to the Rams, giving the team an opportunity to try for the District 1 championship.

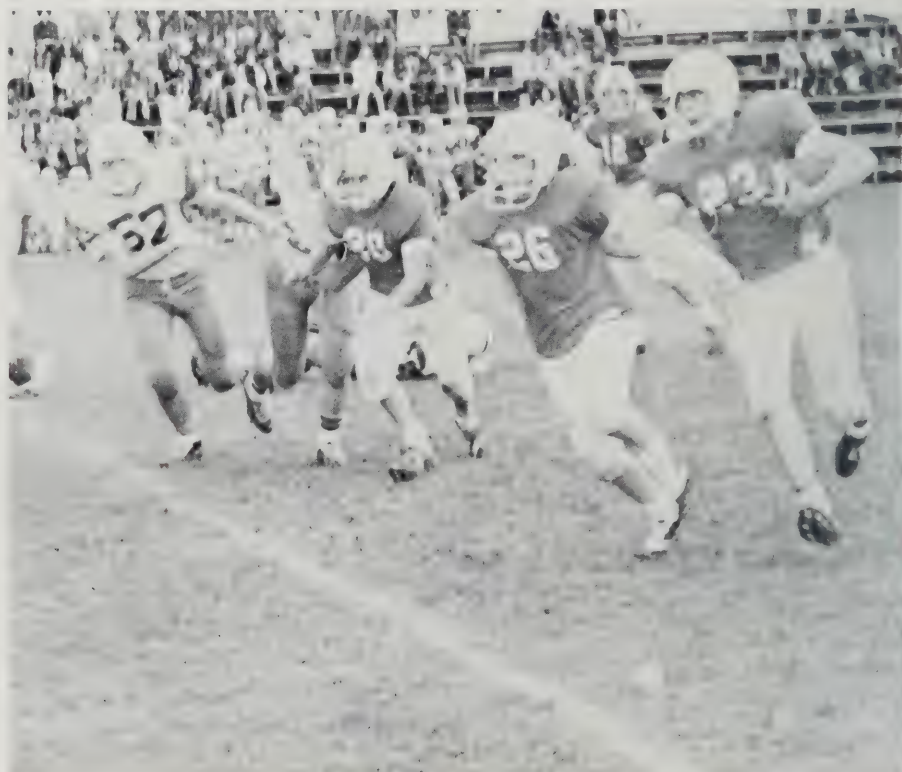

Smithsburg was Southern's rival for this title. Bad breaks were on the Rams' end of the field and they were downed.

Page 80: John Rodeheaver (23) took Ted Raynovich's (26) block to run for 25 yards at Romney.

Page 81: Romney could not quite catch John Rodeheaver (23) as he ran the ball to the 15 yard line. Ed Panther (12) faked a run while Rick Welch (31) sneaked around Petersburg's defense.

jr. rams have 4-3 season

The Junior High Rams produced a great gridiron season under the driving force of Coach Louis Newcomb. The team came out of its football schedule with a 4-3 record. Diligent practice and good coaching helped the little Rams churn out this winning season.

The Junior High Rams kept their title of Garrett County Champions when they again defeated the Northern Puppies by the score of 14-6. This is the second consecutive year they have held this coveted honor.

Petersburg gave Southern a hassle, but the little Rams fought hard and came out on top by six points. Southern stretched their winning streak to 2-0 after tromping over the Ridgely team by eight big points.

An away game with Romney dealt a nasty defeat of 34-0 to the driving junior high Ram team. This losing trend was soon put to a stop with a 6-0 win over the Bruce Bulldogs.

A hard battle was fought in the last game of the junior high football season. Unfortunately, the Southern Rams were speared by the Knights of Valley by the score of 6-10.

Did the wrestlers practice for wrestling or basketball? If one had visited a *practice* session after school this past winter, it would have been hard to tell.

Aside from the daily basketball games, there were snowball fights, and a perpetual contest between the wrestlers to see how many girls they could drag into the locker room.

And speaking of the locker room, one could have easily mistaken it for the Associated Press office. Instead of hearing gossip through the grapevine, it was through the locker room.

Despite the sincere efforts of the grapplers on the mat, there were still reflections of the pre-match follies, thus resulting in a disappointing season for the team.

But maybe we should consider some of the relationships the team members had with the referees.

There was one in particular who did not like to see Bob Ingram or Chris Nichols on the mat. He occasionally disqualified these two unfortunate fellows who, like good little boys, had a few choice words of retort for the nice ref.

The Varsity Basketball team closed the season with a thrilling tournament game. The Rams opposed the Cadets from Fredrick on the Allegany High Court in Cumberland in the District One Class B semifinals.

The Southern quint made an incredible effort and they were rewarded at the end of the first half with a 31-30 lead over the Cadets. But at the end of the third quarter, the score was tied at forty.

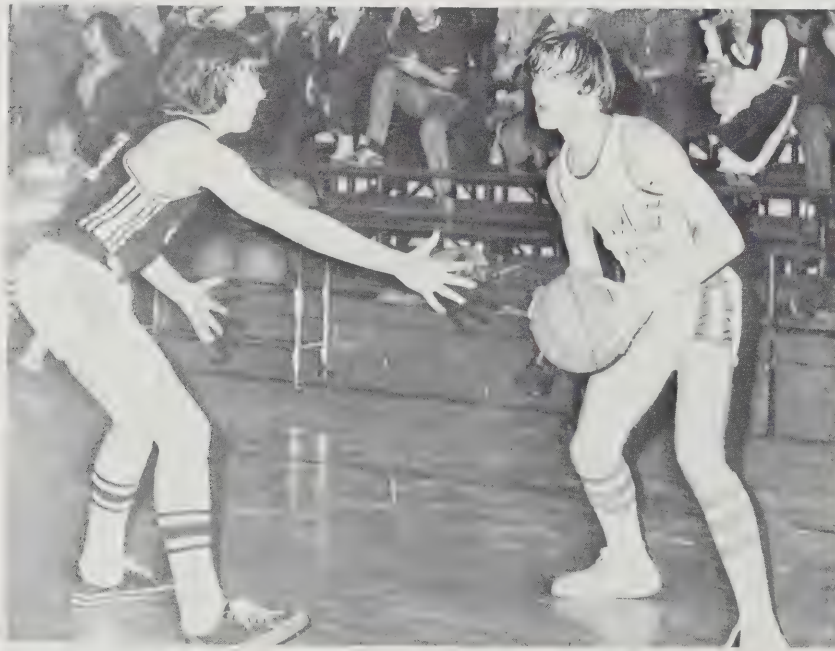

The fourth quarter was the thriller with the lead fluctuating from team to team. The Rams led by as much as five points in the quarter but as fate would have it, the Cadets came back to defeat Southern in the final two minutes of play.

The success of the season was due in large part to the teamwork and cooperation of every player but some of the individual records deserve recognition.

Denny Skeweris had the highest number of points in one game and Paul Lewis had the highest percentage of foul shots for the season. But the efforts of *all* the players on the team made the reasonably successful season possible.

The 1973 jv basketball season was filled with both joy and despair. Despite the record of 7 — 10, the team felt that they had had a very successful year.

Team spirit and good sportsmanship were just a few factors leading to the team's positive thinking. When asked about his attitude toward the year's results, Mark Domenick, *shortstop* of the team, replied, "Even though we had a losing season, we had the winning spirit."

The moral of the team was never down. At the end of a Fort Hill game, which Fort Hill won by the score of 78-28, the team was not discouraged — they thought it was a funny game!

Throughout the entire season, the Rams were a very interesting team. It was discovered that after a hard fought first half with Beall, Stan Skiles had ventured to the wrong locker room. At the tournament, Phil Rook was called for goal tending — a very uncommon call.

At the close of the season, the junior-varsity Rams journeyed to Hampshire for the jv tournament. Competing with eight other teams, the Rams were able to capture a second place cup by defeating Morefield (40-39) and Ridgely (42-41). In the final championship game though, the Rams were overpowered by Keyser by the score of 42-32.

— the famous Boiling Spring, named for its turbulence, on the crest of the Alleghenies at Deer Park, Garrett County, Western Maryland. Featured for almost 100 years on the crack trains of the Baltimore & Ohio Railroad — and on Private Presidential trains.

- Available for your pleasure in take-home containers in leading supermarkets and fine groceries.
- As pure and clean, fresh and refreshing as the Allegheny Mountain air. Try it ice cold — deliciously refreshing. Use it to improve the taste of coffee, tea, juices, soups, and as a mixer.
